Re: Letters Patent for US 7662322 B2

Dear Sir/Madam,

I am one of the inventors in US 7662322 B2 which was granted on Feb 16<sup>th</sup> 2010. I worked for E.I. Du Pont Canada when the patent was filed and am no longer with the company. Also, a portion of the business was acquired by Exopack and now the patent is assigned to Exopack. I do not have a way of contacting the company for the Letters Patent.

Due to the above reason I did not receive the complimentary copy of the "Letters Patent" and an original copy of the patent. It is my very first patent and means a lot to me to me, please could you send me a duplicate copy of the Letters Patent.

Thanks Very much,

Sumita Ranganathan
